PROFESSIONAL EXPERIENCE

Mapletics Scouting, LLC. — **Coral Gables, FL**
Co-Founder, 1 of 2 co-founders — **4/2025 – 6/2026**
Sports technology startup developing spatial analytics tools to optimize collegiate athletic recruiting.

- Researched the college athletic recruiting process and developed the product concept and design for a spatial recruiting platform enabling scouts to query collegiate prospects by proximity, regional density, and event date.
- Built and shipped the MVP on a Bubble no-code stack with integrated Stripe payments, onboarding 20+ recruiting scouts and 50+ users.

Seminole Tribe of Florida, Tribal Historic Preservation Office — **Hollywood, FL**
Geospatial Analyst — **9/2023 – 11/2025**
Sovereign tribal governance body managing historical preservation, land use, and cultural resource compliance.

- Analyzed legacy map workflows and engineered a custom Python automation tool, reducing manual production time from 4 hours to 10 minutes; led training sessions for senior managers, resulting in organization-wide implementation.
- Cleaned and standardized 26K+ historical artifact records to eliminate data quality bottlenecks and enable advanced archaeological analysis; provided recommendations to senior managers.
- Partnered across 4 sections to analyze existing workflows and deploy custom web tools, streamlining operations and driving user adoption.
- Defined metrics (depth, artifact type, era) from raw historical records and built interactive dashboards used by executive leadership to review 20+ years of data.
- Managed an end-to-end cemetery map digitization project; trained managers and associates on new workflows and built dashboards to track project progress, ensuring operational adoption.

University of Miami, Social & Health Inequities Research & Education (SHIRE) Lab — **Coral Gables, FL**
Research Assistant — **11/2022 – 5/2023**
